Modern Affiliate Marketing Strategies – Cheat Sheet

Part 1

Picking your niche based on ROI and other crucial factors

- ✓ Return on investment: how to get the most return for every dollar you spend on your business
- ✓ Return on effort: get as much money out while putting as little time and effort in

Put a Heavy focus on the commercial value of your niche

- ✓ Step 1: Be clear on your personal interests (what are you passionate about – because affiliate marketing is a long-term game)
- ✓ Step 2: Use GKPT to find commercial value of keywords related to your niches (pick middle of the road)
- ✓ Step 3: Use GKPT to find search volume (demand level – pick something in the middle)
- ✓ Step 4: Use Google search to find competition level
- ✓ Step 5: Check keywords on social media platforms to determine coverage
- ✓ Step 6: Check Google Trends to make sure your niche is stable or growing in demand

Part 2

Picking the right affiliate program to maximize conversions

- ✓ Pay Per Click: AdSense / Native Ads
- ✓ Pay Per Sale: Clickbank / JVZoo / Peerfly / Shareasale / CJ
- ✓ Pay Per Action (email / zip code): Maxbounty / Peerfly
- ✓ Merchandise affiliate program: Amazon

Key Selection steps

- ✓ Is the offer directly or closely related to your niche?
- ✓ Is the offer already heavily promoted?
- ✓ How easy is the conversion point of the OFFER (click > email or form > sale)?
- ✓ How flexible is the program in terms of advertising? (own materials or you're free to come up with your own materials)
- ✓ Do they offer flexible landing pages? (ie., email page / social media page / freebie giveaway / etc)
- ✓ Do they allow tracking urls?
- ✓ Do they allow redirect domains?
- ✓ How much does the program pay?
- ✓ How many offers does the program have?

Can the program be promoted using a wide range of conversion systems?

- ✓ Ads
- ✓ Content links
- ✓ Mailing list ads
- ✓ Co-registration

Part 3

Available Conversion Systems

- ✓ Direct promotion of link (ie., drive traffic to link directly via Traffic Buys)
- ✓ Content-based ad traffic (ie., drive traffic to your content site and visitors click ads or text links)
- ✓ Email-based traffic (ie., build up mailing list then send traffic via confirmation or via update links)
- ✓ Review traffic (ie., review the offer and attract direct traffic)
- ✓ Video traffic (ie., create video / upload to Youtube / get traffic from link in description section)
- ✓ Search Platform with original content (airline sites / hotel booking sites)
- ✓ Niche Product Review Platform (Tripadvisor)

PART 4

Traffic Generation Strategies

Category 1: Direct traffic for your link

-FB Ad buys

* Come up with basic profiles and optimize later / this is trial and error so start with many small buys to establish winning pattern quickly

* Use source-targeted / page targeted tracking for your REDIRECT domain

* Hide ultimate source from affiliate program or sponsor

- AdWords Placements

* Use redirect domain or 'value-added intermediate' page
